“Don’t be afraid to give up the good to go for the great.” (John D. Rockefeller)

Sheena Anne H. Garcia

I realized that I should enjoy my journey and the little detours along the way. I found some things more important than what I initially wanted. ...and as far as my journey went, I knew I was right to take those detours that led me to where I am and who I am today. I found friends to be treasured: MM1, certainly one of a kind block; PACS team, most intelligent people I met; and my dorm mates who are so dear to me. You will always have a special place in my heart. Always.
