The journey definitely wasn't easy. It took a lot of sleepless nights, crammed papers, and an unhealthy amount of midnight snacks to get this far. Even so, I wouldn't exchange it for anything in the world. As I leave the university, I can say with certainty that I am a better person than before I entered. Thank you Ateneo, I will forever cherish the moments that I spent with you.

I'd like to use this space to thank my mother and father for the opportunity to study in Ateneo, my friends for their support and encouragement, and my teachers (both in school and otherwise) for making me who I am today. I do not think I will miss Ateneo very much, but I am very glad to have spent my fair share of time here.
