

Allysa Margarette B. Samoy

It was never about how it began or how it would possibly end or fade away. It was always about the little moments when a genuine human connection was made, the moments when you knew that this person is home to you. Finding that in Shayne I thought was partly by pure luck or coincidence, but perhaps it had always been by choice. Thank you, friend, for always being home to me. (F. Cruz)

Theo Constantin Daniel A. Sandico

I walk by faith not by sight. (The Book of Eli)
