

MINOR IN ECONOMICS

Lasmyr D. Edullantes

I used to be afraid of getting lost.
Here's to more blessings. Here's to being more.
Thank you, Mama, Papa, Ate Kym, Ate Em, and Ram. Thank you to
everyone else I've had the pleasure of talking, working, and laughing with.
You know who you are.

“There is nothing noble about being superior to some other man. The true
nobility is in being superior to your previous self.” (Hindu Proverb)
