

INTERNATIONAL BUSINESS AND ECONOMICS

John Emmanuel D. Go

“Hold up, they don’t love you like I love you”, is how John Go describes his feelings for his friends. John Go is that friend who’s always available to have lunch with you. He’s that friend who likes sharing memes and Vines on social media, and that friend who’s crazy about FOOD, Selena Gomez and Beyonce. He’s also that friend who can give you a comforting hug or pat on the back when you need it the most. You go, John Go. (John Go’s friend)

P.S. No one is probably as addicted to Starbucks

MINOR IN INTERNATIONAL RELATIONS

Clara Margarita Guadalupe M. Goco

One thing I’ll miss aside from my friends: the Rizal Library that bore witness to my blood, sweat, and tears as I crammed my papers.

One thing I will DEFINITELY NOT miss: those X hour paper-exams courtesy of my major classes.
