

DOUBLE MAJOR IN AB INTERDISCIPLINARY STUDIES

## ***Lauren Mae G. Mendizabal***

From the mind-boggling Philosophy classes to the heart warming SPEED area visits and the nerve-racking final thesis defense, college has helped me grow to be stronger, more loving, and more passionate than I was before. From being a clueless guppy in an ocean of intelligent fishes, I am now a brilliant dolphin ready to adapt, learn, and grow each day. Never will I stop striving to be a better version of myself. Thank you for changing me in unimaginable ways, Ateneo.

MINOR IN INTERNATIONAL BUSINESS

## ***Beatrice Natividad B. Mendoza***

To Ateneo, thank you for the past four years full of sleepless nights, spontaneous adventures, and unexpected victories. I admit this journey has been full of struggle and frustration, but I am where I stand today because of the people who have helped me find my strength and my courage: my parents, my friends, my instructors, and my God. As I end this journey and begin a new one, I will carry them with me as I bravely face the next chapter of my life with excitement, hope, and humility.
