

Pocholo Miguel T. Kanapi

I've only known Poch for five years now but I can tell you without a doubt that he is the most loyal friend you'll ever find in the Ateneo. Don't let his chill attitude and reserved demeanor fool you, he is the most constant bro I know; there for you and with you no matter what you're going through, whether it be cramming, or celebrating, or even when you just need to hang, talk and think. He is the guy I'm sure I can always count on. Ibang klase siya. (J. Ang)

Find what you love; and let it kill you. Do what you love, and don't you dare stop until it does. Treat it as a sailor loves the ocean. Sail it and never set shore. Let it drain all that you have. Let it break your bow, your mast, your hull. Let it sink you, let its embrace crush your bones and fill your lungs, and let it devour what's left.
For all things will kill you. Even if you stay on land. But it's much better to be killed by a lover. (Adapted from Charles Bukowski)
