

Kristine C. Banal

Kristine's RBF and roundhouse kick may be the reasons why some people are scared of her. But right after you've exchanged names, it isn't hard to realize that she's one of the sweetest, most loyal, and most thoughtful people you will meet. Her natural work ethic is what gets her chosen again and again as a leader. In her 4 years in college, people have recognized her tenacity in overcoming all-nighters and advocating For The Kids, while making everyone feel valuable along the way. (N. Lichauco)

Gabriel S. Bautista

To say that my time in Ateneo has changed me is an understatement. What I had here was more than just taking exams that seemed impossible to ace or dreading an oral exam. It was also the life lessons of caring for others and striving for excellence despite the odds that were dealt to me. I couldn't have done all of this without my dearest friends and my supportive family. Thanks to you all. My Ateneo experience has not only changed me, but has also made me a better man.
