That OrSem marked the beginning of my voyage on wild tides. It wasn't easy at all, being the captain of my own ship. There were times I almost abandoned ship, but one can't be a wise captain without going against the current. My four years in this sea has come to an end, but my journey in the endless course, that is life, has just marked its new beginning. Here's to you Ateneo! Thank you for being my lifeboat, my harbour.
