Being an eagle is a privilege and a responsibility. I will wake up every day proud to know that flying is a better alternative to walking, especially when I'm taking all I have learned here with me. Earning these wings was not easy, and I know the work to deserve them does not stop here. I understand that I will hit rough winds, but I will always remember to fly straight and fly high. Thank you, Ateneo, for the flying lessons.

Dinala ako ng Ateneo sa sampung bansa at sa tuktok ng tatlumpu't dalawang bundok sa Pilipinas. Di man ako na-in love sa college, na-in love naman ako sa bansa ko. Maraming salamat, Ateneo!
