

MINOR IN ENTERPRISE DEVELOPMENT

Clarisse Patricia O. Reyes

“In every job that must be done, there is an element of fun.” (M. Poppins, Mary Poppins)

MINOR IN MARKETING

Enrico Gabriel S. Reyes

In the seven years I've known Enrico, he's pushed me to do things I wouldn't otherwise have thought of doing. He hasn't been afraid to tell me off, and he's pushed me to step out of my comfort zone. He may throw shade at me every so often, but I don't think I've ever had a truer friend than he. Everyone needs someone like him to get through, because I don't think I would've survived without him. No amount of coffee or wine could replace the memories that I have with him. (Z. Garcia)
