I wonder what you actually remember about me and how much of it is accurate. But enough of that. To you, I say this: you deserve happiness. You exist for a purpose and you have to make that count. Be like Lin-Manuel Miranda and inspire others in a way only you can do. Don't throw away your shot! Rise up! Awesome! Wow! Also, potatoes. Wait, what? Was I rambling again? The Thomas Thomas train has derailed. Okay, I'm running out of ideas on how to make this interesting so I'll stop trying now ~
