“Well, here at last, dear friends, on the shores of the Sea comes the end of our fellowship in Middle-earth. Go in peace! I will not say: do not weep; for not all tears are an evil.” (The Return of the King, J.R.R. Tolkien)

I've always believed that we cannot achieve what we cannot commit to, but we can only achieve so much unless we work together. People describe me as ambitious, outspoken, tough, and inspired, but I also understand the value of teamwork and vision. We need to bring people together to work as one and achieve better heights for ourselves and for the world we leave behind. We live to build and to create, but our humanity is what keeps us inspired.
