Life is about hopes and dreams, which Ateneo made me realize. From the sleepless nights and perfect scores to the F's and disappointments, these experiences will become my foundation for the future. The wisdom I gained from the professors, friends, and colleagues whom I shared my journey with will become the pillar. They gave me the opportunity to value things in a different perspective. Never let anyone tell you that you can't; the most important thing is to believe you can. Thank you, Ateneo.
