

Keisha Maria C. Lauigan

Keisha is one empowered woman who is unafraid to say what she means and pursues what she dreams. For a world that is difficult to handle, she takes it all in and effortlessly manages everything in a snap. She is a friend that tells you what you need to hear and not what you want to hear. She is smart, she is true, she is tough, but underneath all of that, she'll be that one friend who will never leave. For all who have Keisha as their friend, they might as well say that they won the lottery.

I like to think that when we next flip through these pages, we can tell these captured moments of our youth that we have helped many people, done something wonderful with life, and are ourselves very happy.

To everyone I've met here, I will take you with me wherever I go.

On a lighter note: Guys, work hard, but also play hard. And remember that in the end "All izz well!!" (3 Idiots) And if it's not, it will be! You can make it so.
