

MINOR IN ENTERPRISE DEVELOPMENT

## ***Alyanna Larisse A. Ng***

We'll all figure it out someday.

MINOR IN MARKETING

## ***Cristian Red V. Nillas***

Red will stop in the middle of a highway to show you how fast his car can go from 0-100. He will buy you a leash and bowl two years before you even knew you were getting a dog. He will buy you a tub of ice cream instead of a cup. Red always goes big. He will climb the Jewel of the Alps if he gets to have a beer on the summit. The Blue Babble Band was never as loud as it was the year Red was captain. Red is the person that will make you feel 100 when you are at 0. (G. Tantoco)
