Find what you love; and let it kill you. Do what you love, and don't you dare stop until it does. Treat it as a sailor loves the ocean. Sail it and never set shore. Let it drain all that you have. Let it break your bow, your mast, your hull. Let it sink you, let its embrace crush your bones and fill your lungs, and let it devour what's left.

For all things will kill you. Even if you stay on land. But it's much better to be killed by a lover. (Adapted from Charles Bukowski)

Pagbali-baligtarin man natin ang mundo, pipiliin ko pa rin ang Ateneo. Dito ako natutong magpakatatag sa kabila ng mga pagsubok, magsikap upang maabot ang mga pangarap, at magtaya para sa iba. At para sa mga biyayang nakanitan ko, lubos akong nagpapasalamat sa iyo, Ateneo.
