

Marc Faustus C. Bueno

Day 1,448: It's been 1,448 days of being an Atenean student, but I have a lifetime to become an Atenean. For showing me that there is a world greater beyond myself, beyond my close community, and beyond the hill — thank you, Ateneo. You have made your mark on me. Time to make my Marc with what you have given me.

MINOR IN SUSTAINABILITY

Kenneth C. Cabatuando

Mom and dad, this is for you.
