There are so many people to thank, but this one's to the person who stayed strong throughout this one heck of a ride: myself. Thank you for not quitting when times were tough. Thank you for getting back up after every face-plant. Thank you for believing that you will get through this because hey, you just did. So whenever you feel like giving up, just bring out this yearbook, look at that awkward smile of yours, and smile again, because you know you'll be just fine.
