“Life has no limitations, except the ones you make.” (Les Brown)

Ana Nikita C. Paz

Niki is one tough chick. With a brave heart and fighting spirit, she overcame the hurdles college life threw at her, and effortlessly rose victorious while still looking good. It is no surprise that she soared to great heights and landed on even higher ground to become the confident person she is today. Cheers to the strong, independent woman who is as bold as her eyebrows and as bright as her highlight. (E. Lao)
