

DOUBLE MAJOR IN AB HISTORY; MINOR IN LITERATURE

Emmanuel Teodosio S. Maligalig

“Everything changes, but nothing is truly lost.” (N. Gaiman)

Zeah Denise C. Manaig

I will not forget the laughter, the tears, and everything in between that made my four years in Ateneo worthwhile. Who I am today is defined by what I have learned not only from the lectures, but also from the interactions I make every day. The waters were not always calm, and the journey was never easy, but I am blessed with the people who helped me get through. I am also grateful for the experience that prepared me for my journey towards the future.
