

## ***Fiona Natasha Jean Faulkner***

I came to Ateneo thinking a diploma at the end of my five-year course would automatically qualify me for “the next big step”. What I didn’t realize was that life isn’t a staircase, it’s a roller coaster ride. I was looking at the world in black and white. The hours of football, the problematic thesis, the victories big and small provided my perspective with color and not just blue and white.

## ***Jose Manuel P. Felix***

“Success is the ability to go from failure to failure without losing your enthusiasm.” (Winston Churchill)
