Sometimes, it hurt to be in Ateneo. Whenever I failed. Whenever I let people down. Whenever I chose to not to give the best of me to what I did because I thought it was easier that way. But sometimes, I also loved to be in Ateneo. Whenever I overcame my failures. Whenever I knew that people were there for me. Whenever I found that, in the face of adversity, I was capable of so much more than what I thought I had. Ateneo gave me pain, but it also gave me strength. And for that, I am grateful.

Thank you Ateneo. You made my life easier.
