

DOUBLE MAJOR IN BS HEALTH SCIENCES

Juan Priolo C. Opelanio

Hindi yata talaga inasam ni Prio ang payapang paglalayag. Pinili niya ang entablado bilang barko kahit batbat ito ng lamat at lumot ng nakaraan. Lumulan siya sa panahong ninais ng mga kasama ang mas malayong destinasyon ng kamalayang pansarili't pambayan. Kaysa matinag sa mga pagsubok na daluyong na humampas dito, inako pa niyang maging kapitan, para makapitan ng bawat nakalulan. Hanggang makadaong, siniguro niyang matatag ang iiwang barko, kahit magkakanya-kanya na sila ng paglalayag.

MINOR IN PUBLIC MANAGEMENT

Paul Joshua D. Pangan

Life as we know it is ever-changing. This just means that we are bound to make mistakes along the way; what we learn from these mistakes is what matters. After all, our development is an incremental process. So to the failures, defeats and heartbreaks I experienced in my four years in Ateneo - I thank you. You taught me to persevere, adapt, and above all, to reach out. I will continue my journey in life a better man than I was four years ago, continuing to grow with love and compassion.
