Kyle N. Mitschiener

Katrina Camille B. Nemo

Resilience will always be what I remember about Nemo. Despite the overwhelming requirements thrown at a double major of an honors course and one of the most prestigious courses in the Ateneo, she always manages to rise to the occasion as she leads and participates in faith-formation, business, and sports organizations. She's definitely one of the greatest people anyone can meet and happens to be the best friend ever. I found Nemo! (A. Linjoco)
