During my stay at Ateneo, there were a lot of times when I felt like I was walking on a tightrope, but there were far more times when I felt like I was walking on air. Through all of my experiences here, I've grown into a better version of myself. I've become open-minded. I've learned to take risks and step out of my shell, and finally, I've come to know that I'm participating in a much greater reality. Thank you, Ateneo. Those four years have been ultimately worthwhile.

"The future rewards those who press on. I don't have time to feel sorry for myself. I don't have time to complain. I'm going to press on." (Barack Obama)
