

MINOR IN CHINESE STUDIES; MINOR IN INTERNATIONAL BUSINESS

## ***Stella Marie D. Estrella***

Stella lives up to her name. She always has a solid plan for her future, and she is incredibly determined to make it happen. Like a star, she continues to be luminous even in the face of adversity, and you can count on her to stay true to her promises. Stella shines brightest during the darkest moments in her life, and after everything she has been through in Ateneo, she is ready to shine outside its four corners.

## ***Victoria Noelle S. Estrella***

Surrounded by such talented individuals, I go through every day in constant struggle to become a better version of who I was the day before. This has pushed me to go out of my comfort zone. I am grateful to the few who served as my pillars of strength in tough times and stayed with me through this journey. Though this experience was definitely a challenging one, I wouldn't have had it any other way. Thank you, Ateneo, for creating memories I will look back on and cherish for the rest of my life.
