

## ***Gabrielle Marie Therese J. Sison***

Garie sees the world behind her camera lens and finds the most striking ways to depict the mundane. From Katipunan to Madrid, the world has always been her oyster. She is smart, insightful, and always ready to pull you back up on your feet. Her secret power is that she can make even the heaviest of days feel lighter, by putting a smile right back on your face. You can always count on her to laugh along with you. If there's any source of magic in this world, you'll find it in Garie. (K. Pimentel)

## ***Juleen Daphne C. Siy***

Paddling in each waking moment, staring at the sun, day by day. From dazzling lights and fame brought about by her love for structured culottes, bomber jackets, and to-die-for stilettos, Daphne grips tightly on her desire to learn, her drive to persevere, and her vision for success by not giving up amidst the storms of failures and faltering friendships. Her journey that is about to end was all then worthwhile. She has now arrived at her destination, and is ready to embark on a new adventure.
