

Nicolo L. Llenado

The bee movie but it's actually college and you're in hell because you have a writeup due in less than an hour and you can't think of anything to write and your sole inspiration is dank memes and our lord and savior Harambe and you're not sure if your thesis revisions made it to your advisor because he stopped responding hours ago and you're sitting on the ground contemplating the reason for your existence while swimming in a pool of pizza grease. ALSO MCQUEEN DIES IN THE TRAILER. KA-CHOW 2017.

Arielle Alexis N. Locsin

In Ateneo, I tried. I kept on trying one moment after another. Now that I'll be leaving the familiar walls of my school, I will keep on trying. To try different opportunities. To try numerous challenges. To always try no matter what I'll think is going to happen. And I'll keep trying until the very end. All for you, Eli.
