## ***Renzo Niño M. Rosales***

Mahirap isalin sa papel kung sino o ano nga ba si Renzo Rosales. May Renzo Rosales na pagod. May Renzo Rosales na nakangiti. May Renzo Rosales di pa naliligo. Hindi ko man masabi kung sino o ano si Renzo Rosales ngayon, meron akong isang maipapangako. Bago matapos ang lahat, meron din Renzo Rosales na matagumpay.

## ***Jose Celerino R. Rustia***

Being called a True Blue has become no easy feat. Ateneo has taught me to soar to endless possibilities. The hill that has long stood as my home has brought me to high mighty flights and endless cries of the blue and white. In my sixteen-year long voyage of hardships and celebrations, the only thing that has mattered is the ride from within; with my friends, family, and mentors. As I walk down the hill and look back, only one thought comes to mind, “Ang sarap maging Atenista.”
