

MINOR IN DEVELOPMENT MANAGEMENT

Therese Georgia Martelino

Countless all-nighters, lying on the ground after butt-busting runs, six-hour kwentuhans in JSEC with your best friend, living off the org room's stash of chips when work left no time for lunch, getting lost in the streets of Budapest, finding comfort in the company of strangers atop the mountains of Banaue—a million memories, laughs and tears make up the last four years.

Yet, there is still so much life left to be lived and enjoyed. Look back but don't be afraid to keep moving forward.

"Don't limit yourself. Many people limit themselves to what they think they can do. You can go as far as your mind lets you. What you believe, remember, you can achieve." (Mary Kay Ash)
