

MINOR IN INTERNATIONAL BUSINESS

Jose Alfredo B. Cruz III

I wrote this write-up the same way I wrote all my papers during my stay in Ateneo — crammed, depthless, and submitted at 11:59.
Thank you for four great years, Ateneo!

MINOR IN MARKETING

Patricia Angela D. Cruz

Isha Cruz is an oddity for all the right reasons. From her habit of mimicking the sound of dogs to her plain old randomness, there's never a dull moment with her. But beneath that dorky exterior, however, is a woman that is driven and passionate. She sets the bar high for herself, but more often than not, still surpasses it. Her pursuit for excellence has seen her grow into a woman full of dreams, hopes, and passions — all while still being the lovable dork that she is. (K. Villa)
