

Gabrielle Alexis G. Tiglao

Alexis often gives people the impression that she is serious, but once you get to know her better, she has a very pleasing and bubbly personality. The kind of friend that any person would wish for, her presence (coupled with her crazy and corny jokes), brightens up people's days. An all-around knockout, Alexis has the beauty, the brains, and the kindest heart that people will always remember her for.

Naghirap, ngunit kinaya.
Patuloy na nangangarap, at patuloy na kinakaya.
Maraming salamat, Ateneo.
