“Look me in the eye. It’s okay if you’re scared. So am I. But we’re scared for different reasons. I’m scared of what I won’t become, and you’re scared of what I could become.

Look at me. I won’t let myself end where I started. I won’t let myself finish where I began.

I know what is within me even if you can’t see it yet.

Look me in the eyes. I have something more important than courage. I have patience.

I will become what I know I am.” (Michael Jordan)
