

MINOR IN MARKETING

Jorelle R. Uson

What I learned in Ateneo is that kind people will always be there to help, and that is why I want to take this opportunity to express my gratitude to the people who extended their help to me. I would not be a step closer to my dream to be a lawyer if it were not for them. Ma, Pa, Unis, Audric, Nah, OAA, and many others, this degree is not mine alone; it is something I share with you, so thank you. May you continuously lend a helping hand, and I hope in time, I can be of help to you as well.
