

MINOR IN FINANCIAL MANAGEMENT

Marie Anjanette C. Roxas

This girl always looks at the sunny side of everything and makes everyone around her feel special. She's the home you need whenever you encounter a storm. Tasks may be daunting but expect her to come out of it better and tougher than before. And now, as the anchors of her college journey are set to be lowered, she looks back and feels grateful for the way Ateneo had changed and helped her to become the person that she is now. She is ready for you, the greater ocean outside Ateneo.
