Ateneo gave me everything I could use to grow within four years. I entered with a mindset to go with the flow, but the sheer fulfillment of every moment pushed me to do more. Although I may have failed in some of the things I got myself into, the fact that I tried my best is good enough for me. Besides, I've got the people I've met to keep me up on my feet. Thank you to everyone who rode through this adventure with me!
