I never dreamed of studying in Ateneo. I never thought I'd survive ME. I did not think college would be this fun. But I did. And I did. And it was. I am forever grateful for my Ateneo education. For the lessons I learned in and out of the classroom. For the amazing people I met. For the lifelong friends I made. For helping me in my self-discovery. Things don't always go the way we expect them to. We don't always get what we want, but we always get what we need. We just have to trust Him.
