Nothing is more practical than finding God, than falling in Love in a quite absolute, final way.

What you are in love with, what seizes your imagination, will affect everything. It will decide what will get you out of bed in the morning, what you do with your evenings, how you spend your weekends, what you read, whom you know, what breaks your heart, and what amazes you with joy and gratitude. Fall in Love, stay in love, and it will decide everything.

We dream of a smooth ride in life, but often we are given hurdles. I've had my share of these challenges, but here I am, going down the hill, because of the support I received. Thank you to my family, Y2 2016 and to the ROTC kids, for being my anchors these past five years. Also, thank you to the new friends I made this year for making my super senior year more bearable. It took a while, but down to the world I go, sharing this success with you who cheered me on.
