

MINOR IN GLOBAL POLITICS

Pauline M. Piczon

My Ateneo education has been nothing short of amazing for the past four years. And in those years, I have met some of the best people I have ever known. I have met the most passionate and intelligent people who are creating impact in our society. They inspired me to step out of my comfort zone and go to places where voices must be heard. I have also met my best friends who kept me sane and backed me up no matter what. But I also met a new me who never forgets to rise when life knocks me down.

MINOR IN AB PHILOSOPHY

Natasha Pauline T. Reyes

Napagod, nagpahinga, nagising, nakabangon, at nagpatuloy. Nagtagumpay, nabigo, nagtagumpay, nabigo muli, nagtagumpay pa rin, nabigo na naman, nagtagumpay sa huli. Nananabik ako sa aking pagtatapos; at salamat, dahil marami na akong masisimulan.
