If college is just the beginning, I cannot wait to find out what is next. Ateneo has taught me that the lessons you learn outside of the classroom and the memories you make with the people you meet along the way are always going to be the most valuable. The past four years have taught me that it's always important to work hard and manage my time. Most importantly, college has helped me emerge as the person I am supposed to be, and I will cherish these years forever.

MINOR IN ENGLISH LITERATURE AND IN DECISION SCIENCE

Kapag ang tubig ay matining, asahan mong malalim. Sa ganitong paraan ko nakilala si Mendy. Tahimik lang na ginagawa ang mga kailangang gawin, taimtim na pinatutunayang maaasahan siya sa anumang responsibilidad na iatang sa kanya. Ngunit makikita rin sa kanyang mga mata ang lalim ng pag-unawa at tiwalang mayroon siya. Hindi rin naman ganito sa lahat ng pagkakataon, dahil sa oras na magliwanag ang mukha niya, hahawaan ka naman ng malalim na kaligayahang nararamdaman niya. (J. Tenorio)
