Para ito sa mga pangarap na naabot na at sa mga aabutin pa lang.

College can be a three-day festival of you not sleeping, just so you can pass this one class of yours. It can also be an adventure across a dry-river, and up a rocky cliff, to meet people who are worlds away from you. Other times it can be a world-shattering revelation that makes you change your direction in life. But sometimes college can also be as simple as walking into a room full of people and knowing how loved you are. In the end, that was college for me—the joy and the love.
