

Maria Celina V. Bengzon

Cel's four years in college are hallmarked by dark eye bags, late-night rehearsals, and defective laptops. More than that, Cel's college years are also characterized by dream roles, ice cream runs, and much tear-filled laughter. Albeit her indecisiveness, Cel can be anyone she wants to be. She just has to choose.

Kyra Claire C. Bismark

Four years here have caused me a lot of tears that I have considered changing my name to Cryra, yet you have proved to me that I am way too legit to quit. Thank you Ateneo for bringing out this superstar's inner shine!
