“You must give everything to make your life as beautiful as the dreams that dance in your imagination.” (R. Payne)

When it comes to passion, dapat buo yung loob. Only hard work will get you to where you want to be. Only willpower will bring you through the struggles you face.

That's what Ateneo taught me: you need a strong heart and an even bigger fight in you. After 5 years of working towards my dreams here, I am now ready to walk my thunder thighs into life and achieve them there.
