

MINOR IN FRENCH STUDIES

## ***Fatima Angela P. Santos***

Tauhan: Fatima, batang matanda. Dalagang malaki ang personalidad sa loob ng maliit niyang kaha. Hilig ang humalakhak at uniyak, minsan sabay pa nga. May lambing sa boses, kahit nagkukuwento ng galit at hinanakit. Pinakamatatag na bahagi ang puso, kahit na ito rin ang unang bumibigay kapag sinusubok. Baliw pero matino. Nasa mga kontradiksyong ito ang halina ng kanyang pagkatao. Unang Tagpo: Magliliwanag ang entablado. Nasa gitna si Fatima, taglay ang ngiting pinatatag ng Ateneo. (J. Tenorio)

Ateneo has taught me how to fall.

Any dreamer would know how much more painful the drop is the higher the hopes and the greater the promises. I have been shattered twice as much, but perhaps all that force was necessary to truly find my hidden self. For this, I am grateful to Ateneo.

Beyond my experience here await greater falls, yet now, I am ready to soar through them all.
