“All I ask of you, especially young people, is one thing. Please don’t be cynical. I hate cynicism – it’s my least favorite quality and it doesn’t lead anywhere. Nobody in life gets exactly what they thought they were going to get. But if you work really hard and you’re kind, amazing things will happen. I’m telling you, amazing things will happen.” (C. O’Brien)

Larissa Remedios L. Panlilio

Larissa occasionally has a dreamy look on her face, eyes to the side, looking off into the distance. It’s in this moment that she’s thinking of her next big idea, her next project, the next mountain to conquer. While many would put aside these daydreams, Larissa knows how to turn them into reality. The only things taller than Larissa are her goals, and once she snaps out of her dreamy stupor and gets to work, her eyes are on the prize and you just know she’ll get it.
