

INTERNATIONAL BUSINESS AND ECONOMICS TRACK

## ***Ma. Veronica C. Borrromeo***

Used to having things set and planned out, I guess that just didn't work out for me in college. Although some didn't turn out the way I expected them to, I learned to embrace these things that brought me joy as well as frustration. I'm truly grateful not only for every moment I enjoyed, endured, and survived, but also for every unexpected twist and turn the past four years have given me. And now as I move on into the real world, I am more than willing to let life surprise me even more.

"A revolution is not a dinner party, or writing an essay, or painting a picture, or doing embroidery; it cannot be so refined, so leisurely and gentle, so temperate, kind, courteous, restrained and magnanimous. A revolution is an insurrection, an act of violence by which one class overthrows another." (Mao Zedong)
