“What you do speaks so loudly that I cannot hear what you say.” (Ralph Waldo Emerson)

John Paolo C. Borjal

In the last four years, I have learned how to be more comfortable with uncertainty. It is what drives me to grow, excel, and love even more. It is what motivates me to be the best version of myself for all the people who have invested their time and effort in my learning journey. This is something I will always thank Ateneo for.
