SPECIALIZATION IN BIOMEDICAL SCIENCES

Alfred Sebastian A. Recio

There is nothing comparable to his presence. When the tides of life seemed like it's going to pull you under, one message or call from him will instantly make the sky clear and the sea to calm. He teaches you to be resilient not just by telling you, but by showing you in the way he carries himself. He's been beaten by countless typhoons, but it never stopped him from fighting hard for his ambitions--and he does so with a smile on his face. Surely, wherever he goes, sunshine follows.
