Perpetually Late Person Who Hopes to Graduate on Time: A Tale of Irony

Jasmine Garet P. Jardeleza

“Generally, by the time you are Real, most of your hair has been loved off, and your eyes drop out and you get loose in the joints and very shabby. But these things don’t matter at all, because once you are Real you can’t be ugly, except to people who don’t understand.” (Margery Williams, *The Velveteen Rabbit*)

Thank you, Ateneo de Manila University, for bringing God back to the center of my life, for turning me into a more loving person. Thank you for making me the best version of myself.
